Dunedin

Dear Trustees,

Thank you for your generous support of Cross Over Trust. We received your grant of \$2500, 16 April 2012 and all of the grant will be spent on the purpose for which was outlined in our application.

The Community Workers at Cross Over Trust are a dedicated team who are passionate about the journey they walk with the children and families of our communities.

In these times of economic downturn we are especially thankful for your support. We will continue our work and endeavour to bring the best possible outcomes for the children and their families that we serve.

Thank you again for your support and that you are able to share in this valuable work we offer our community.

Yours truly,

**Roy Kenneally**  
Manager  
Cross Over Trust
