Dear Trustees of the Sargood Bequest,

On behalf of Detour Theatre I would like to thank you for the generosity you have shown us once again by supporting our Stage Curtain replacement project.

It gives us a great deal of pride and confidence to know that we will be able to improve our appearance and our safety for our students, our volunteers and our audiences.

Your contribution alone has made this possible. We continue to use your logo in our programmes, on our billboards and on our website to express our gratitude for your support.

Kind regards

Kelly Moroney
