Dear Trustee's,

Thank you so much for the \$1000.00 grant towards the travel costs associated with assisting me to represent NZ at the Shakespeare Globe Centre in London July/August this year.

I am so looking forward to this experience and the opportunities it will offer for me to observe and perform in a variety of performances at the Globe and other venues in the UK. It is a once in a lifetime opportunity and I feel so lucky to have been chosen, especially given the enormously talented participants that were available for selection.

Would you please accept my heartfelt thanks for your kindness and generosity – it is so much appreciated.

I attach the signed acknowledgement of receipt as requested.

Kind regards,

Jessica Old
