SARGOOD BEQUEST GRANT

I acknowledge receipt of the Payment Advice in which the Trustees of Sargood Bequest advised that payment of a \$10,000 grant had been paid by direct credit to our bank account on 14 April 2011. I acknowledge safe receipt of this grant and our official receipt for the \$10,000 payment is attached.

The committee wish to thank the Trustees for approving this grant. Your financial support of our restoration project was most welcome and very much appreciated and assists us in completing our fundraising which will ensure that Dunedin City gets back its last harbour ferry later this year after an absence of 57 years and the *Elsie Evans* once again becomes a Dunedin icon.

Thank you again for your support.

Yours sincerely

Hugh Montgomery
