Moray Place
Dunedin 9058

Dear The Secretary

Thank you so much for the part you have played in StarJam's outstandingly successful 2010.

It has been exciting to watch the jam spreading into Hamilton. Other 2010 highlights include the inaugural Money for Jam Busking campaign, the annual Auckland and first-ever Hamilton shows, and several high-profile performances and presentations. 2011 will see continued growth with StarJam's launch into Wellington.

This year comes to a close with the news that Roy Bartlett, co-founder and office manager, has been named as one of three 2011 Senior New Zealander of the Year finalists. The winners will be announced in February.

Without your kindness we would not be able to do what we do so we have included a small token to represent our huge thanks. We hope it makes you smile.

Best wishes for a safe and happy summer holiday season.

Julie Bartlett
CEO and Founder
