Dear Trustees

I am writing to acknowledge and thank you for the donation of \$3000 which The Mission has recently received from the Sargood Bequest.

It is only through such support that we are able to operate our Community Service programmes throughout the Greater Wellington region.

This funding will be used to purchase a number of much needed items of emergency equipment to be used by client families on our Mission for Families programme.

Demand on all of The Mission's programmes is especially high at present and your support will ensure that we are able to continue offering our services to those most struggling in these trying economic times.

I thank you for this donation to The Mission and for your kind and ongoing support of our work.

Yours faithfully
