ROYAL NEW ZEALAND
FOUNDATION OF
THE BLIND

TE TUĀPĀPĀ O TE HUNGA KĀPŌ O AOTEAROA

Dear Sargood Bequest

Thank you for your generous gift of \$ 5000.

The Foundation is the primary support agency for more than 11,500 blind and partially-sighted New Zealanders. We offer support and essential services to those affected by sight loss; from training and education to vocational advice and New Zealand's only accessible-format library service. We are at the cutting edge of technology, working to develop innovative ways to enable blind and partially-sighted people to engage with the world. We are perhaps best known for our Guide Dog Service which breeds over 100 dogs per year to become a sighted companion for a member.

The Foundation is passionate about enabling blind and partially-sighted New Zealanders to be all that they can be. However, it is only with the generosity of supporters like yourselves that we are able to provide essential services to some of our most marginalised and isolated communities.

On behalf of all the staff, volunteers and above all our members, please accept our sincere thanks.

Yours sincerely,

Sandra Budd
Chief Executive
