Dear Trustees,

On behalf of Te Kākano Aotearoa Trust, thank you very much for your grant of \$35,000 towards our trust operations this year.

With your support, we can now:

- Retain our two key employees who are responsible for overseeing the nursery and trust operations
- Continue our work in native habitat restoration through hands-on participation and education, and
- Carry on inspiring the community to become closer to the land.

We truly appreciate your continued commitment and belief for our project - without your funding, our work is simply not possible.

Once again thank you for your generosity and tremendous support.

Yours faithfully,

Megan Williams
Chair
